

*Application/Control No. 08/857,756**Attorney Docket No. PHN 15,815***REMARKS**

This is a submission for the above-identified RCE. Independent claims 1 and 9 have been cancelled and replaced with new claims 16 and 22 respectively. The newly presented claims 16-23 find full support in the originally filed specification. See page 5, line 31, to page 9, line 31, for example. The pending dependent claims have been amended to improve syntax and form. The claimed subject matter is deemed patentable in that it sets forth a combination of elements not found in the art of record. Favorable consideration of these new claims is respectfully requested.
